

# West Springfield High School Choral Patrons Association

## We need your support!!!

The WSHS Choral department works intensely throughout the year to bring beautiful music to our community. Unfortunately, public funding is insufficient to maintain the standards of excellence that our program demands. Even with the support we receive from our school administrators, the constant use of equipment and supplies, e.g. sheet music, microphones, keyboards, pitch pipes, and uniform accessories, cannot always be replaced when necessary. Cherished performances, such as “Breakfast with Santa” and “All That Jazz”, bring additional costs for costumes, choreography, and special effects.

To keep participation costs for students at a reasonable level, outside financial support is a necessity. The best way to support our program is to become a “Friend of the WSHS Choral Program”. Generous donors at the Sustainer level and higher will be recognized in the concert programs for the 2017 Winter and 2018 Spring Concert. Your financial support will ensure continued outstanding performing arts programs for our community.

---

Yes, I would love to support the WSHS Choral Department and have enclosed a check payable to WSHS CPA for:
