Balance of music selected and performed from among historical and contemporary composers, genres, and periods is arrived at through the course of a year's instruction and not within any individual concert.

The WSHS Choral Department works intensely throughout the year to bring beautiful and well trained music to our community. To maintain the standards of excellence and reputation the program holds throughout the NOVA community, additional support outside of the FCPS funds is necessary. This is where you come in. The choir department benefits when the Choral Patrons Association (CPA) financially assists with equipment, training opportunities, vocal coaches, hiring musicians, instrument repair and care, etc.
